

Sherri Michetti is New Youth Director for NYTBF

From the NYTBF for immediate release.....September 23, 2016..... The New York The Bass Federation is excited to announce that Sherri Michetti, from Milan, New York, is the new Youth Director for the NYTBF. Sherri brings in the energy and desire to continue to grow the youth program and events. While serving as the State Youth Director, she will continue to be the director of the Legacy Junior Bass Club.

Her husband has fished competitively for almost 25 years. When his son wanted to fish competitively as well, but was only 10 at the time, Sherri found out about TBF Youth Program. She wanted him to be involved only to find out that there wasn't a local club, so she started one.

She has been running the Legacy club for 2 years now and with the membership having grown to 22 members. The club holds a monthly meeting, have 6-7 tournaments a year, as well as a family camp out weekend, and evening Fun Fish's in the summer.

Her plans for the youth program involve organizing a fun filled family weekend of Club Team Championship on Schroon Lake for next summer, promoting youth fishing within New York state, and trying to get more clubs in the state where there are none currently. Also she is looking forward to being a source of TBF information, and support for the existing clubs in New York.

The NYTBF would like to thank the previous Youth Director, Dominic Maio, for his service. Dominic will continue to be engaged with the youth program as part of the Good Ole Boys Junior Bassmasters club.
